Welcome Back!

The first week of school is out of the way, and what a great week it was! It was so nice to see all of the children come in smiling with their eyes! While this year will be filled with challenges, I am more confident than ever that we will overcome all obstacles safely! I pray that as we enter the first full week with our adjusted schedule of dismissal at 1:30 that all of our students both old and new to Notre Dame Catholic Academy are adjusting well, beginning to make new friends, and becoming acquainted with our school procedures.

Reminders

I just wanted to inform you of a few important reminders.

- Under no circumstance should a parent or someone arriving to pick up a child pull up into the parking lot under any circumstances.
- Please complete the daily health screening EACH MORNING, one per family is fine, just complete it with all of the children's names and grades. If you submit prior to 7:20, you do not need to print it. If you are dropping off your child at early drop off, please print it out.
- Out of respect and safety for the NDCA family we are requesting that when you drop your child off and pick them up that you do so wearing a mask. Your child is expected to wear a mask and I ask that we lead by example. Thank you so much!
- After school and early morning drop off will be starting on Monday, September 14, 2020 and taking place in the Gym this year, pick up and drop off will be through the front doors.
- Please send your child in with something "neat to eat" on Monday and remember that dismissal will take place at 1:30 at their respective doors.
- Thank you in advance for being patient as we work out all of the kinks out and adjust to our new norm this week!
- Remember if your child is not feeling well, **THEY MUST STAY HOME** for the safety of our community!
- Stay well and Safe! Have a wonderful weekend!

Welcome Back,
Mrs. DiLorenzo
