Catholic Schools Week provides Notre Dame Catholic Academy the opportunity to share what makes us special within the community. Our students participate in various activities that highlight the great spiritual and well-rounded academic education that they receive at the Academy.

The week opens with the 10:30 AM Liturgy on Sunday, February 7th.

It is a time for us to come together to celebrate all who are a part of the Notre Dame Catholic Academy Community. These people include Teachers, Staff, Students, and Parents. Since part of a Catholic Education is centered on service to our community, we would also like to thank those workers who serve us all year round: Our Military, Police, Fire, Postal, EMS, and Traffic Workers. The students acknowledge the value and sacrifice that these men and women give us each day.
